Commonly Available Snacks Free of Peanuts, Tree Nuts and Eggs
Content Updated: February 1, 2016

Please read and understand this entire page before using this guide. Your use of this guide indicates that you have read and understand the disclaimer below and accept and agree to its limitations.

DISCLAIMER: ALL INFORMATION REGARDING INGREDIENTS AND MANUFACTURING PROCESSES WERE COMPILED FROM CLAIMS MADE BY THE PRODUCTS’ RESPECTIVE MANUFACTURERS ON THEIR LABELS OR VIA OTHER MEANS AND MAY ALREADY BE OUT OF DATE. ALTHOUGH EVERY EFFORT HAS BEEN MADE TO BE AS ACCURATE AS POSSIBLE, WE DO NOT ACCEPT ANY LIABILITY FOR ERRORS OR OMISSIONS MADE BY US OR THE PRODUCTS’ RESPECTIVE MANUFACTURERS. THIS LIST IS FOR INFORMATIONAL PURPOSES ONLY AND IS INTENDED TO SERVE AS A GUIDE, NOT AS AN AUTHORITATIVE SOURCE, AND IS NOT INTENDED TO REPLACE THE ADVICE OF ANY MEDICAL PROFESSIONAL. PRIOR TO PURCHASING ANY LISTED FOOD ITEM, IT IS YOUR RESPONSIBILITY TO CHECK THE PRODUCT LABEL TO ENSURE THAT UNDESIRED ALLERGENS ARE NOT LISTED AS INGREDIENTS AND TO VERIFY WITH THE MANUFACTURER THAT TRACE AMOUNTS OF UNDESIRED ALLERGENS WERE NOT INTRODUCED DURING THE MANUFACTURING PROCESS. CURRENT FDA LABELING GUIDELINES DO NOT MANDATE MANUFACTURERS DISCLOSE POTENTIAL ALLERGENS THAT MAY BE INTRODUCED AS PART OF THE MANUFACTURING PROCESS.

Meaning of the symbols:

For items preceded by green symbols, the information was provided by the manufacturer on their packaging, promotional literature, website, or directly to us.

- **Green check mark**: Manufacturer asserts the item is produced in a facility that does not process peanuts, tree nuts and eggs or is explicitly marketed free of these allergens.

- **Green triangle**: Manufacturer asserts the item is produced in a facility that does not process peanuts and tree nuts or is explicitly marketed free of these allergens. **Eggs may be an ingredient or processed in the facility.**

- **Black Bullet**: The item does not list peanuts, tree and eggs as ingredients on the label, there are no warnings on the label that the product may contain these allergens, and **to the best of our knowledge** the product is produced on lines where these allergens are not processed. Note that the item is not explicitly marketed free of these allergens, that we do not have a relationship with the manufacturer, and that our information is gleaned primarily from periodic queries via their **Contact Us** facilities.

Items listed in **boldface** are from members of our Manufacturer Partnership Program. These manufacturers have agreed to disclose their manufacturing processes regarding 11 allergens directly to SnackSafely.com via our platform. Information regarding potential exposure to all 11 of these allergens for each product is provided via our Allergence Screening Service at allergence.com.

Please note:

- Never give a food to a child with food allergies without explicit consent from the child’s parent/guardian. The parent/guardian must be given the opportunity to research and approve all foods in advance.

- This list is updated frequently. By using this guide you agree to discard this copy and download an updated copy after the expiration date displayed above. The most recent version is always available at [snacksafely.com/safe-snack-guide](http://snacksafely.com/safe-snack-guide).

- We welcome and encourage your comments, corrections, testimonials, feedback and suggestions. Please use our **Contact Us** page at: [snacksafely.com/contact-us](http://snacksafely.com/contact-us).

- We strongly urge you to subscribe to updates at SnackSafely.com to be notified by e-mail of periodic changes to this list as a result of advisories and additions. You can do so here: [snacksafely.com/subscribe](http://snacksafely.com/subscribe).

FIELD TRIPS HAPPEN.
Be Prepared.

BEING PREPARED MEANS HAVING A PLAN TO:
- Avoid known allergens
- Know what symptoms to watch for
- Use an EpiPen® (epinephrine injection) Auto-Injector if a life-threatening (severe) allergic reaction occurs
- Get emergency medical help right away

KEEP TWO EPIPen® AUTO-INJECTORS IN MULTIPLE LOCATIONS
Home, school, a relative’s house... ask your healthcare professional to prescribe EpiPen 2-Pak® cartons for every place you need them. Wherever life takes your child, make sure two EpiPen® Auto-Injectors are there.

To learn about special savings offers and tips for being prepared, go to epipen.com/actionplan

INDICATIONS
EpiPen® (epinephrine injection) 0.3 mg and EpiPen Jr® (epinephrine injection) 0.15 mg Auto-Injectors are for the emergency treatment of life-threatening allergic reactions (anaphylaxis) caused by allergens, exercise, or unknown triggers; and for people who are at increased risk for these reactions. EpiPen® and EpiPen Jr® are intended for immediate administration as emergency supportive therapy only. Seek immediate emergency medical help right away.

IMPORTANT SAFETY INFORMATION
EpiPen® and EpiPen Jr® Auto-Injectors contain a single dose of epinephrine, which you (or your caregiver or others who may be in a position to administer EpiPen® or EpiPen Jr®) inject into the middle of your outer thigh (upper leg) (through clothing, if necessary). Get emergency medical help right away. You may need further medical attention. Only a health care professional should give additional doses of epinephrine if you need more than two injections for a single anaphylactic episode. DO NOT INJECT INTO YOUR VEINS, BUTTOCKS, FINGERS, TOES, HANDS OR FEET. In case of accidental injection, please seek immediate medical treatment. Epinephrine should be used with caution if you have heart disease or are taking certain medicines that can cause heart-related (cardiac) symptoms.

Tell your doctor if you have certain medical conditions such as asthma, depression, thyroid disease, Parkinson’s disease, diabetes, high blood pressure or heart disease, have any other medical conditions, are pregnant or plan to become pregnant, or are breastfeeding or plan to breastfeed.

EpiPen Jr® Auto-Injectors shown in photo.

2. Always carry your EpiPen® or EpiPen Jr® with you because you may not know when anaphylaxis may happen.

Tell your health care professional if you need additional units to keep at work, school or other locations. Tell your family members, caregivers and others where you keep your EpiPen® or EpiPen Jr® and how to use it before you need it. You may be unable to speak in an allergic emergency.

3. When you have an allergic emergency (anaphylaxis):

• Use EpiPen® or EpiPen Jr® right away.
• Get emergency medical help right away.

You may need further medical attention. You may need to use a second EpiPen® or EpiPen Jr® if symptoms continue or recur. Only a health care professional should give additional doses of epinephrine if you need more than 2 injections for a single anaphylaxis episode.

What are EpiPen® and EpiPen Jr®?

• EpiPen® and EpiPen Jr® are disposable, prefilled automatic injection devices (auto-injectors) used to treat life-threatening, allergic emergencies including anaphylaxis in people who are at risk for or have a history of serious allergic emergencies. Each device contains a single dose of epinephrine.
• EpiPen® and EpiPen Jr® are for immediate self (or caregiver) administration and do not take the place of emergency medical care. You should get emergency help right away after using EpiPen® and EpiPen Jr®.
• EpiPen® and EpiPen Jr® are for people who have been prescribed this medicine by their health care professional.
• The EpiPen® Auto-Injector (0.3 mg) is for patients who weigh 66 pounds or more (30 kilograms or more).
• The EpiPen Jr® Auto-Injector (0.15 mg) is for patients who weigh 33 to 66 pounds (15 to 30 kilograms).

It is not known if EpiPen® and EpiPen Jr® are safe and effective in children who weigh less than 33 pounds (15 kilograms).

What should I tell my health care professional before using the EpiPen® or EpiPen Jr®?

Before you use EpiPen® or EpiPen Jr®, tell your health care professional about all your medical conditions, but especially if you:

• have heart problems or high blood pressure
• have diabetes
• have thyroid problems
• have asthma
• have a history of depression
• have Parkinson’s disease
• have any other medical conditions
• are pregnant or plan to become pregnant. It is not known if epinephrine will harm your unborn baby.
• are breastfeeding or plan to breastfeed. It is not known if epinephrine passes into your breast milk.

Tell your health care professional about all the medicines you take including prescription and over-the-counter medicines, vitamins and herbal supplements. Tell your health care professional of all known allergies. Especially tell your health care professional if you take certain asthma medicines. EpiPen® or EpiPen Jr® and other medicines may affect each other, causing side effects. EpiPen® or EpiPen Jr® may affect the way other medicines work, and other medicines may affect how EpiPen® or EpiPen Jr® works. Use your EpiPen® or EpiPen Jr® for treatment of anaphylaxis as prescribed by your health care professional, regardless of your medical conditions or the medicines you take.

What are the possible side effects of the EpiPen® and EpiPen Jr®?

EpiPen® and EpiPen Jr® may cause serious side effects:
• The EpiPen® or EpiPen Jr® should only be injected into the middle of your outer thigh (upper leg). Do not inject the EpiPen® or EpiPen Jr® into your:
  • veins
  • buttocks
  • fingers, toes, hands, or feet

If you accidentally inject EpiPen® or EpiPen Jr® into any other part of your body, go to the nearest emergency room right away. Tell the health care professional where on your body you received the accidental injection.

If you have certain medical conditions, or take certain medicines, your condition may get worse or you may have longer lasting side effects when you use your EpiPen® or EpiPen Jr®. Talk to your health care professional about your medical conditions.

Common side effects of EpiPen® and EpiPen Jr® include:
• fast, irregular or “pounding” heartbeat
• sweating
• headache
• weakness
• shakiness
• paleness
• feelings of over excitement, nervousness or anxiety
• dizziness
• nausea or vomiting
• breathing problems

These side effects may go away with rest. Tell your health care professional if you have any side effect that bothers you or that does not go away.

These are not all the possible side effects of the EpiPen® or EpiPen Jr®. For more information, ask your health care professional or pharmacist.

Call your health care professional for medical advice about side effects.

General information about the safe and effective use of EpiPen® and EpiPen Jr®:

Medicines are sometimes prescribed for purposes other than those listed in a Patient Information Leaflet. Do not use the EpiPen® or EpiPen Jr® for a condition for which it was not prescribed. Do not give your EpiPen® or EpiPen Jr® to other people.

Important Information
• If an accidental injection happens, get medical help right away.
