Re: Join PTA for the 2016-2017 School Year - Just \$10/person

Dear Parents and/or Guardians,

We know there is strength in numbers, and the Babylon K-6 PTA invites you to join us. By becoming a member you are helping us support our children's education through a variety of fun and educational programs and advocacy events. Anyone can join the K-6 PTA, and we welcome all. Individual memberships are just \$10 and there are a few ways that you can join right now:

- 1) Pay by credit card on our secure School Store at www.Babylonpta.org, or
- 2) Fill out the form below & mail a check for \$10/membership payable to "Babylon K-6 PTA" to the above address. Please do not send cash.

We create class directories from the information provided to us. The directories are available on our website and are viewable only by members who are Approved Volunteers on our site. Email us at babylonptamembership@gmail.com with any questions.

Warm regards,
Stephanie Cosentino, Membership Co-Chair
Jen Parendo, Membership Co-Chair

August 2016

We invite you to submit your name to be a Room Rep - *Dads welcome!*

Room Representatives are PTA's hands in the classrooms and a very important part of the PTA network. They work closely with the teachers in planning class activities & communicating with other parents and are asked to promote & support our programs and activities in and outside the classroom.

Whether you are considering being a Room Rep for the first time or are a returning parent, please know that Babylon K-6 PTA works hard to provide you with a support network and resources. We have created e-mail lists for each class through our site. In addition, we have created a Pinterest page for Room Reps to share ideas on. We will be providing basic website skill training so you are at ease in communicating with your class. Don't worry - you can learn it!

PTA Class Parent Responsibilities

- Be an active and paid member of the PTA prior to being considered for this position (you can join now in the School Store)
- Work closely with the teacher to help implement their annual plans and provide assistance as needed
- Have good planning skills and be responsible with money
- Facilitate communication between the teacher and other parents in the class
- Work together with Room Reps grade-wide to coordinate efforts (and make class funds go further)
- Assist PTA with our functions or help coordinate coverage.
- Attend PTA meetings and understand PTA philosophies - support what we do & why we do it!

Join us as a Room Rep now by filling out the Room Rep Application online at www.BabylonPTA.org and becoming a member of Babylon K-6 PTA for the 2016-2017 school year. We will assign up to two reps per class for all grades.

We aim to have all Room Rep assignments completed by August 25th so you can be prepared for the Open Houses being held the second week of school. Please note that you must be a paid PTA member to be considered and that preference will be given to those who have never had the opportunity to be a Room Rep.

Please feel free to call or email me with any questions.

Kind regards,

Robyn Silvestri
