**Babylon Elementary School
is participating in Walk to School on
Wednesday, October 5.**

Join children and adults around the world to celebrate the benefits of walking.

About our event:

As many students as possible are recommended to walk to school to understand that walking is a healthy activity.

Try to walk to school with a friend or with kids in your class

If you live very far away park your car and walk as far as you can.

We will be a "greener" school and village if more parents drive less and keep traffic down at the Babylon Elementary School.

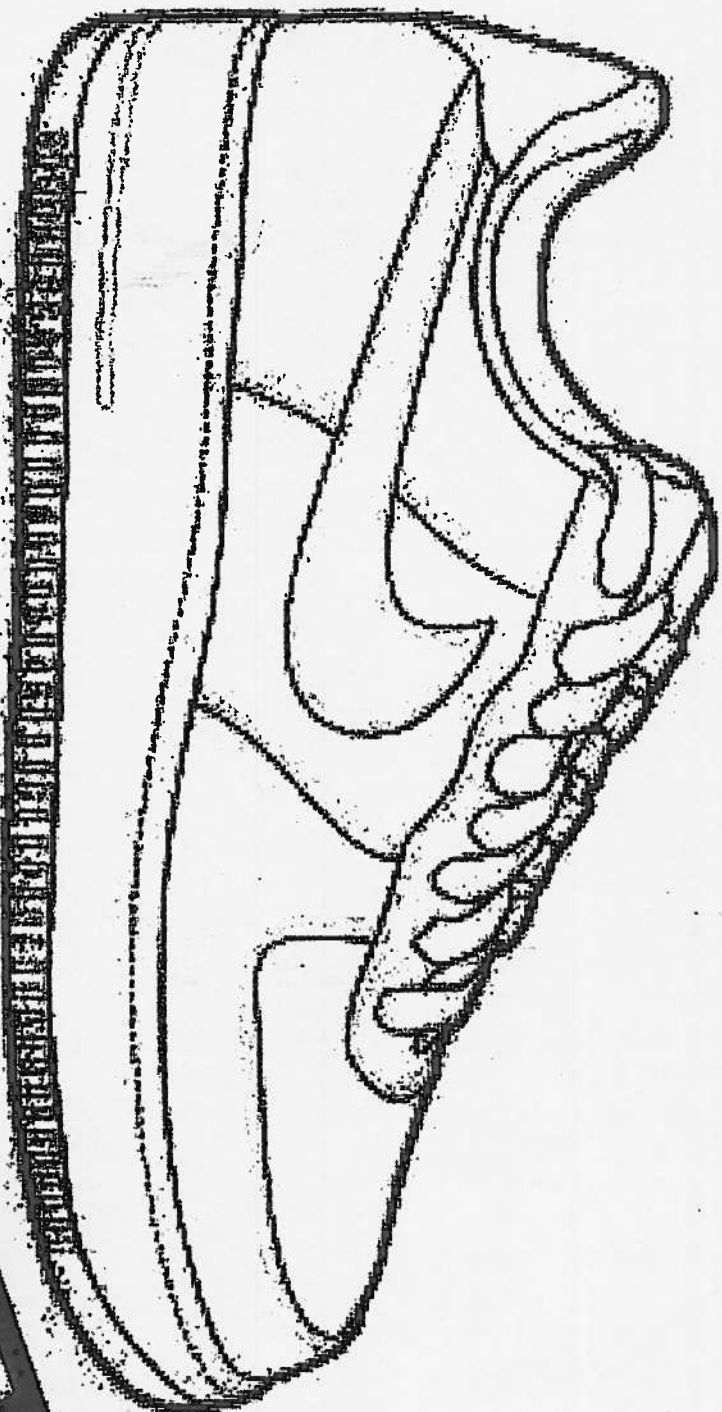

Enjoy the simple pleasure of walking with your child.

Wear your Babylon colors of BLACK and ORANGE to show that we are all in this together.

Please color, cut out and bring the attached flyer to school on Wednesday October 5th.

We will have REGULAR dismissal from school, but if you would like to walk home you are welcome to do so. Just let your child's teacher know if they will be walking home instead of using the bus.
