A Message from the Principal

Welcome back to a new and exciting school year! I am looking forward to working collaboratively with parents, teachers and the community as we continue to build a strong school/home/community connection. Our mission at the Grade School to educate the whole child is of paramount importance as students move forth into the millennium.

I am very confident that 2016-2017 will be an exciting school year filled with learning and wonderful memories! I look forward to many of the upcoming events that you will find on your district calendar. Please make a note that our Open House is scheduled for Wednesday, 9/14/16, when you will have an opportunity to meet your child's teacher. See the schedule below.

Best of luck for this year! As always, if I can help or assist you in any way, please contact me.
