A Message from the Principal

Off to a great start...

Thank you for a wonderful turnout at our “Open House” Wednesday evening. The teaching staff had the opportunity to provide parents with class expectations, strategies and tools in an effort to support student achievement. Please keep in mind that communication and collaboration are two key ingredients in the recipe for success.

Please continue to review your son/daughter's agenda handbook and follow the teacher's webpage for extra help and any upcoming assignments.

As always, I am here for your support as well. If you have any questions, please feel free to email or call my office.

Enjoy the weekend!

Steve Goldberg
