“Coffee with the Superintendent”
at each school during the school year. Please see the attached invitation from Superintendent Rozzi for more details.

A Message from the Principal

Hello All. Next week at the Grade School we will be conducting two emergency drills for students and staff. We will have a **Shelter-In Drill** on Tuesday, September 27th, at 9:30 am. This drill is utilized when there is an emergency outside the building. In the event we should ever need to use a “shelter-in”, all exit doors and windows remain closed and locked. During this drill, it is “business as usual” inside the building. At the time of a shelter-in it is imperative that no one enters or leaves the building except for Suffolk County Police.

Next Thursday, September 29th, at 9:30 am we will conduct a **Lock-Down Drill**. A “lock-down” would be used in case of an emergency happening inside the building. Teachers are asked during a lock-down to make sure that all students are away from the door, that classroom doors are locked and lights are off. Students remain silent during this drill.

In addition to next week’s schedule, we will practice two more emergency drills in the near future. Fire alarm drills will be conducted beginning the first week of October.

In an effort to be prepared for an emergency, teachers will be reviewing protocols for all these drills in their classrooms.

Have a great weekend!

Steve Goldberg

BMGS News...

Chorus is starting with Mrs. Angerame October 6th! Don't miss out! Please see the attached letters and permission slips for more info!

Babylon UFSD After School Program: The Grade School Metro Therapy Afterschool Program will begin on **Wednesday October 5, 2016**. The program is designed to give our students extended opportunities to interact with each other in a social yet structured setting. See attached flier/permission slip for details.

The Randy Zwerlein Under The Lights Soccer Games will take place on October 14th, 2016, at the High School field. Varsity Boys Game @ 5pm. Varsity Girls Game @ 7:30pm

Reminders From The Health Office:

6th Grade Parents - YOUR IMMEDIATE ATTENTION REQUIRED

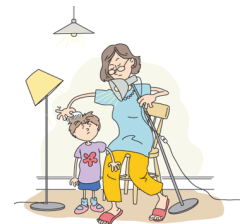

Many 6th grade students are not in compliance with the NY State mandate for required immunizations. Contact your child's pediatrician ASAP for further details.

If in fact your child is up to date with his/her immunizations, please forward a complete updated Immunization record to the Health Office. If your child requires additional immunizations, the Health Office must have a stamped doctor's note with the appointment date and time.

Thank you for your immediate attention to this very important matter.

ALSO - As parents of school aged children, you are all aware that with the start of school comes the concern of head lice. This year is no exception. Please be aware and check your child. If you find lice or nits in your child's hair, please contact your physician for directions for treatment. Please continue to be mindful and check your child regularly.

PTA NEWS ...
