## THE APPLE OF MY EYE<sup>©</sup>

Workshop for Parents, Community Members & 12<sup>th</sup> Grade Students

### SKILLS TAUGHT:

This power point presentation provides prevention education by teaching very specific tools and skills to keep children, teens and adults safe.

#### Prevention Education:

- The 10 Rules of Safety.
- Establishing and modeling healthy physical and emotional boundaries.
- 10 Prevention Tips.
- 11 Red Flags.
- 27 Tricks Predators use to access children and teens.
- Behavioral and Physical signs of abuse.
- Who the predators are and how they work to “groom” children and teens.
- Myths that predators count on to continue to molest children and teens.
- Facts and statistics about childhood sexual abuse.
