Thank you for a wonderful school year!

Dear Babylon Elementary School Families,

As we conclude the 2016-2017 school year, the staff here at BES cannot be more proud of the growth your children have made in and outside of the classroom. We are so grateful for your partnership throughout the school year in support of the children. Personally, I thank you for welcoming me into this beautiful community. Babylon is a special place and it is a privilege to dedicate my life's work to the families of this community.

On behalf of the staff here at BES, thank you for all of the thoughtful and generous gifts you have bestowed upon us in these last days. We send you off with our wishes for a restful and rejuvenating summer!

Sincerely,
Travis Davey

See the information below for more about summer reading programs!

Important Note from Nurse Bagdanoff

All medications, Epi-pens, Benadryl etc., should be picked up by a parent or designated adult **by June 23, 2017**. Any medications left in the health office after July 1st will be discarded. Should your child require medication during the '17-'18 school year, a new doctor's order along with written permission from the parent will be needed. An adult must bring the medication into the health office at the start of the school year. Please contact us in the health office with any questions: 631-893-7966.
