### Fund Balance and Restricted Reserves

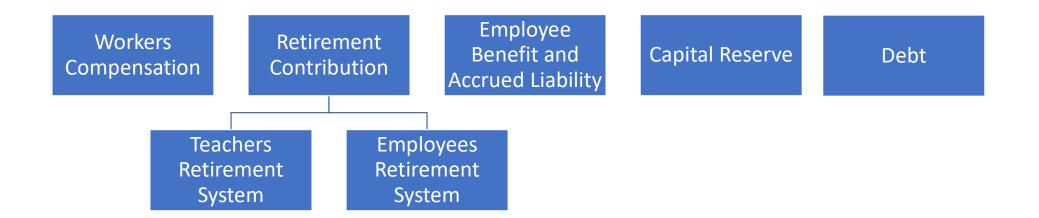

### Focus on ......Restricted Reserves

Restricted reserve (reserve funds) are defined in statute and amounts may be used only for very specific purposes.

They are an important tool in the budget process.

Establishing and funding reserves should be given careful consideration in the overall financial plan for the school district and long-term financial planning.

### Current Restricted Reserves

# Worker's Compensation Reserve

Established in accordance with General Municipal Law (GML) 6-j

Used to pay for compensation benefits and other expenses authorized by Article 2 of the Worker's Compensation Law, and for payment of expenses of administering the self-insurance program.

Established by Board action

Funded by budgetary appropriations and such other funds as may be legally appropriated.

Balance at June 30, 2021 - \$532,436

Annual expenditures can fluctuate - amount in reserve represents approximately 1.5 years of expenditures

### Retirement Contribution – Teachers Retirement System

Established in accordance with General Municipal Law (GML) 6-r

Established by Board Action as a sub-fund of the Retirement Contribution Reserve

Used to pay for expenditures for the District's contribution to the New York State Teacher's Retirement System.

Funded by budgetary appropriations, transfers from reserves and such other funds as may be legally appropriated.

The Board may authorize payment into the sub-fund of up to 2% of the total covered salaries paid during the preceding fiscal year.

The total amount funded cannot exceed 10% of the total covered salaries paid during the preceding fiscal year.

Established by Board action

Funded by budgetary appropriation, transfers from reserves and such other funds as may be legally appropriated.

Considered in the budgetary process.

Flexibility - should retirements exceed budgeted amount, the reserve can be used during the year with board approval to fund unanticipated retirements so as to not negatively impact the educational program.

Balance at June 30, 2021 - \$1,100,367 Budgeted use in 21-22 - \$100,000 Liability at June 30, 2021 - \$4,059,515 (28% funded)
